23 hereby files the attached statement of facts and memorandum of points and authorities in support of
Government's motion for reciprocal discovery and fingerprint exemplars.

I

STATEMENT OF THE CASE

On April 8, 2008, a federal grand jury in the Southern District of California returned an Indictment charging Sergio Mora (“Defendant”) with Attempted Entry After Deportation, in violation of Title 8, United States Code, Section 1326 (a) and (b). The Indictment further alleges that Defendant

had been removed from the United States subsequent to January 22, 2001. Defendant was arraigned on the Indictment on April 9, 2008 and pled not guilty to the Indictment.

STATEMENT OF FACTS

A. THE INSTANT OFFENSE

On March 5, 2008, Border Patrol Agent Sebastian Fernandez was assigned to patrol an area known as "TC Worthy," which is located approximately 50 yards north of the United States/Mexico international boundary and 100 yards west of the Tecate California Port of Entry. At approximately 6:40 a.m., an infrared scope operator alerted Agent Fernandez to possible illegal alien traffic in his area of patrol. Agent Fernandez proceeded to a nearby parking lot and spotted three individuals trying to hide behind some cars. Agent Fernandez approached the individuals, including Defendant, and conducted a field interview. Defendant admitted that he was a citizen and national of Mexico without any legal documentation to enter or remain in the United States.

14 Defendant was arrested and transported to the Brown Field Border Patrol Station for
15 processing, where his fingerprints were entered into the Automated Biometric Identification System
16 (IDENT) and the Integrated Automated Fingerprint Identification System (IAFIS). Defendant's
17 identity was confirmed, along with his criminal and immigration histories.

18 At approximately 4:00 p.m., Defendant was advised of his Miranda rights and invoked his right
19 to remain silent.

B. DEFENDANT'S IMMIGRATION HISTORY

Defendant is a citizen of Mexico who was ordered deported by an Immigration Judge on or about July 6, 2005. Defendant was removed from the United States to Mexico on at least nine occasions, including on January 7, 2008 via the San Ysidro, California Port of Entry.

GOVERNMENT'S MOTIONS

A. MOTION FOR RECIPROCAL DISCOVERY

A. RULE 16(b)

The United States, pursuant to Rule 16 of the Federal Rules of Criminal Procedure, requests that Defendant permit the United States to inspect, copy, and photograph any and all books, papers, documents, photographs, tangible objects, or make copies of portions thereof, which are within the possession, custody or control of Defendant and which Defendant intends to introduce as evidence in his case-in-chief at trial.

The United States further requests that it be permitted to inspect and copy or photograph any results or reports of physical or mental examinations and of scientific tests or experiments made in connection with this case, which are in the possession or control of Defendant, which Defendant intends to introduce as evidence-in-chief at the trial, or which were prepared by a witness whom Defendant intends to call as a witness. Because the United States has complied with a defense request for delivery of reports of examinations, the United States is entitled to the items listed above under Rule 16(b)(1) of the Federal Rules of Criminal Procedure. The United States also requests that the Court make such order as it deems necessary under Rules 16(d)(1) and (2) to ensure that the United States receives the discovery to which it is entitled.

2. RULE 26.2

Rule 26.2 of the Federal Rules of Criminal Procedure requires the production of prior statements of all witnesses, except a statement made by Defendant. This rule thus provides for the reciprocal production of Jencks statements.

The time frame established by the rule requires the statement to be provided after the witness has testified. To expedite trial proceedings, the United States hereby requests that Defendant be ordered to supply all prior statements of defense witnesses by a reasonable date before trial to be set by the Court. Such an order should include any form in which these statements are memorialized, including but not limited to, tape recordings, handwritten or typed notes and/or reports.

1 **B. Motion to Compel Fingerprint Exemplars**

2 The Government requests that Defendant be ordered to make himself available for
 3 fingerprint exemplars at a time and place convenient to the Government's fingerprint expert. See
 4 United States v. Kloepper, 725 F. Supp. 638, 640 (D. Mass. 1989) (the District Court has "inherent
 5 authority" to order a defendant to provide handwriting exemplars, fingerprints, and palmprints).
 6 Since the fingerprint exemplars are sought for the sole purpose of proving Defendant's identity,
 7 rather than investigatory purposes, the Fourth Amendment is not implicated. The Ninth Circuit
 8 in United States v. Ortiz-Hernandez, 427 F.3d 567, 576-79 (9th Cir. 2005), upheld the
 9 Government's ability to compel a defendant to submit to fingerprinting for purposes of
 10 identification at trial. See United States v. Garcia-Beltran, 389 F.3d 864, 866-68 (9th Cir. 2004)
 11 (citing United States v. Parga-Rosas, 238 F.3d 1209, 1215 (9th Cir. 2001)). Furthermore, an order
 12 requiring Defendant to provide fingerprint exemplars does not infringe on Defendant's Fifth
 13 Amendment rights. See Schmerber v. California, 384 U.S. 757, 770-71 (1966) (the Fifth
 14 Amendment privilege "offers no protection against compulsion to submit to fingerprinting");
 15 Williams v. Schario, 93 F.3d 527, 529 (8th Cir. 1996) (the taking of fingerprints in the absence of
 16 Miranda warnings did not constitute testimonial incrimination as proscribed by the Fifth
 17 Amendment).

18 **IV**

19 **CONCLUSION**

20 For the foregoing reasons, the United States requests that the Government's Motions be
 21 granted.
